Who We Are

Established in 1992, Focus Softnet rose from a regional IT company to a multinational business solutions provider and innovator. With its acclaimed ERP, CRM products and services, strong emphasis on R&D and a richly experienced workforce, Focus Softnet has expanded across 17 countries around the globe, operating from 27 offices.

Focus Softnet's ERP software systems comply with regional tax regulations, especially India's GST regulations and provide users with a one-stop business management solution with integrated modules and mobile-ready features. Our ERP solutions are hosted on Cloud, could be customized to suit your requirements and can be scaled up as your business grows.

Having deployed business-specific ERP systems at many enterprises and SMEs, We at Focus Softnet have proven our expertise in developing and implementing industry-ready solutions with tailored features that leave no aspect of your operations uncovered. Our ERP software systems have received multiple awards for their ease of use and effectiveness in overcoming business challenges.

Our Happy & Growing Customers

Focus i is going to be an integral part of our success story, and we are very pleased with the round-the-clock support that we received from Focus Team.

Sojan Varghese

General Manager, Saif Salim Essa Al-Harasi & Co.

Focus Softnet has always been helpful in meeting our requirements There have been challenges on the way where either our requirements changed, or we needed something different. But Focus Softnet has always worked towards catering to our needs and we are quite satisfied with their solutions.
